

"I'm a champion race car driver and you know that I am a survivor, so this is right up my alley. We need you to be a champion too! Help us help a child who's not old enough to ask."

Champions Kids Camp is a non-profit organization that was created in the summer of 2000.
501(c)(3) #05-0541975

The goal and mission of Champions Kids Camp is to provide a positive camp experience for children ages 8-12, who have survived a traumatic injury, illness or personal loss, such as the loss of a loved one.

Through a week-long camp consisting of music, art, sports, recreation and special guests, children are nurtured physically, mentally and spiritually.

Our leaders and counselors teach about kindness, personal responsibility and giving respect for each other. We believe these qualities are essential to leading fulfilling and productive lives.

Champions Kids Camp's main objective at camp is to help instill a sense of pride in every child and to bring to their attention that they are a survivor, an over-comer and therefore a Champion.

Testimonials

Champions Kids Camp lets these special "survivors" just be kids! For a week...they get to forget how tough their battles have been. For a week the playing field is the same for everyone! For a week magic happens through the music they make! And when the week is over the magic doesn't end!

We want Champions Kids Camp to be all summer long, not just a week, cuz it's better than Disney World. Champions Kids Camp was the greatest! For the first time - it was awesome - can't wait until next year! I'm going to take lessons to become that guitar player for next year! KEEP IN TOUCH

- **from one of our Champions**

Champions Kids Camp is a unique experience for boys and girls. This camp has the ability to help build character, high moral standards, self worth and general acceptance. True love for children is exemplified and is the basis for all leaders. Activities of all kinds are provided to teach them how to play different sports, become participants and learn more about team spirit and unity. I highly recommend Champions Kids Camp and feel any child will profit from attending.

Founders

Bill and Kim Nash

Bill and Kim Nash are singer/songwriters who reside in Houston, TX. They have worked with such legendary artists as George Jones, Eddie Arnold, Charlie Rich and Kris Kristofferson. They also co-wrote a hit single for Reba McEntire that is included in her "Greatest Hits Volume II." The fact that their son, Billy, is a survivor of childhood Leukemia, inspired the idea of a camp for kids who have survived some traumatic event in their lives. Bill and Kim have a passion to give back to these children who have experienced "emotional scarring" by enriching their young lives through their positive music and positive message. "We want these precious kids to know that they are not victims in life. They are survivors, CHAMPIONS", says Bill.
